Student Advisory:

Every student has the right to engage in the act of a peaceful protest and the school would never deny that right. However, a *Walkout* protest during school is, in addition to a HUGE safety concern, an act of civil disobedience and a clear violation of school/district rules. Infractions of those rules will continue to be handled in the standard manner--falling under "Out of Bounds" and resulting in a major conduct referral. Everyone should remember that major referrals do result in consequences. (i.e. Seniors with a major referral are ineligible to attend their Senior Trip.)

student advisory continued:

Rather than participate in an unsafe walkout protest, school officials are planning a safer, more productive forum to address questions and concerns about this issue. Local and state policymakers have been invited to participate in the forum to address student concerns. This event is scheduled for 3/14/18 at 9:00 a.m.

If you have questions and/or suggestions, please see Mr. Gruber.
