

The logo for "e~Funds for Schools" features the text in a white, cursive font centered within a blue rectangular box. This box is flanked by horizontal lines on both sides, with three lines on each side, creating a decorative border.

e~Funds for Schools

Dear Parents,

Winnebago School District is pleased to offer an online payment program called *e~Funds For Schools*. This allows parents several payment options for school registration fees, lunch payments, and other items. Not only do you have the ability to have payments automatically withdrawn electronically from your checking account or charged to your credit card, you also have the flexibility to pay at anytime through the school's website.

The convenience and flexibility of *e~Funds For Schools* will help to eliminate last minute check writing hassles, improve efficiencies, and help cut costs for both you and the school. In addition, you will no longer need to worry that your children could lose or forget the money intended for school items that you give them or that they might spend it on other non-school items.

You are in full control of your account and can make a payment at any time that is convenient for you. **No payments will be allowed without your knowledge and authorization through this secure payment system.** By providing your home and/or work email address, you will receive an email notification confirming any payments made each time a payment is processed. This notification will include the student's name, purpose of the payment, and the amount of the item(s) purchased.

You can make payments online using:

- Electronic checking (also called ACH debit)
Funds can be withdrawn electronically from your checking account. Payments for school fees and other miscellaneous items that are withdrawn electronically from your checking account will be processed free of charge.
- Credit Card
Pay with your Visa or MasterCard credit card/debit card. Parents will be asked to pay a small convenience fee for credit card payments. Credit card payments for school fees and other miscellaneous items will only be accepted through our e~Funds For Schools partnership.

To signup for a new account you will need either your home phone number or your child's student ID number found on the demographics form included in your registration packet. Existing accounts follow the same procedures as last year.

To pay electronically or for more information and instructions on paying your school fees using our new electronic system, please visit www.winnebagoschools.org/registration
