To the Parent/s – Guardian/s of students changing the following grades:

Our records indicate that your student, under normal circumstances, will be promoted from one of the following for the current school year:

Preschool to Kindergarten  
2<sup>nd</sup> grade to 3<sup>rd</sup> grade  
5<sup>th</sup> grade to 6<sup>th</sup> grade  
8<sup>th</sup> grade to 9<sup>th</sup> grade

If your child will be using school transportation, please be aware that these particular grade advancements for students within the 1.5-mile radius of the attending school may change his/her riding eligibility status. This means that if a student lives within or is transported to a location within the 1.5-mile radius of the attending school, unless the area falls within state guideline hazardous zoning, you must pay for transportation or provide your own transportation for your child.

You can find zoning maps on the Transportation section of the school website: <http://www.winnebagoschools.org>. If you have further questions or need better clarification, you may call the transportation office at the above number, or you may email your questions.

Sincerely,

Winnebago CUSD#323 Transportation Department
