News to Note

ONLINE REGISTRATION FOR NEXT SCHOOL YEAR

We are happy to announce that starting May 1, 2019, the Winnebago School District will be moving to an Online Registration process. Parents of existing students will be asked to provide enrollment information via an online portal. To get a head start on confirming current data, parents will be able to request demographic changes via the parent portal. As of April 9, Simon and McNair Elementary School parents will be able to use the parent portal to access demographic information, attendance, and fee data. You should have received, or be receiving, an email with directions on getting set up. (Parents with students at WMS and/or WHS already have logins that can be used).

LAST DAY OF SCHOOL

The last day of student attendance is Thursday, June 6. Students are dismissed and report cards handed out at 1:00pm that day. Breakfast will still be available and lunch will be served on this day. Speaking of breakfast and lunch, your help in keeping your child's lunch account up to date through the end of the year is appreciated.

LUNCH/RECESS REMINDERS

We have been experiencing an increase in recess and playground issues with child to child behavior. Some behaviors are pushing the boundaries of what is appropriate versus inappropriate behavior, be it language, physical contact or pushing other's buttons. The need for children to be physically active is important and most children enjoy their time outside with their friends and have been doing great! We are asking for your help in communicating with your children the importance of getting along with and respecting others. Also, encourage your children to communicate any issues or concerns with staff members as they occur so we can follow up quickly. We'd like our last month of the year to be a positive, fun experience when outside (especially now that the weather is finally warming up!) Thank you once again for your support!
