Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

ACT ASSESSMENT: GRADUATING CLASS OF 2007 *

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2006.

** Safe Harbor Targets of 55.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

SCHOOL IMPROVEMENT PLAN 2007-2008

WINNEBAGO HIGH SCHOOL

At Winnebago High School we have taken the following steps to address identified needs. Building school improvement teams have been formed.

School Climate-

- Increase security at the High School by having all outer doors locked during the school day and having all outer doors swipe card entry only
- Explore changing schedule to an 8 period day (keeping the modified block but eliminating 8-block)
- Increase security cameras to include the second floor of the High School
- Increase participation in Summer Freshman Picnic or the Spring Freshman Orientation to at least 95%
- 100% of the students new to the district and the High School will participate in the new student mentoring program
- Hire a Hall Monitor to patrol the hallways during the school day

Staff Development

- All WHS staff members are Highly Qualified and maintain a current Illinois Teaching Certificate
- Continue to in-service staff on IEP rules and regulations
- Hire a part-time Special Education Coordinator
- Staff Development will be focused on Illinois Learning Standards and Testing Strategies
- Teacher training to enable them to write lesson plans directly linked to Illinois Learning Standards
- Have teachers work with District Curriculum Director to align curriculum to Illinois Learning Standards
- Have District Curriculum Director model teaching strategies to improve Reading in the High School
- Encourage staff members to attend a Bullying workshop
- Train teachers in how to analyze and use 6-8 ISAT Data

Curriculum Enhancement

- Continue to develop PLTW at the High School
- Continue to enhance the Graphic Design program
- Continue to improve dual credit opportunities through Rock Valley College
- Have AP Certification approved for Stats and Advanced English for the 2008-2009 school year
- Hire Department Heads for Math, Science, and English to examine curriculum and align to Illinois Learning Standards
- Have Department Heads and Curriculum Director help select staff development activities for curricular improvement
- Hire an additional English teacher to help improve our remedial English program
- Encourage teachers to put State standards and learning objectives on Board daily
- Have Juniors rotate among Math, Science, and English teachers during 8-block to do PSAE prep activities
- Replace Stanford Testing in grades 9 and 10 with PLAN and EXPLORE to have data aligned with ACT Testing
- Explore changing Science class offerings for the 2008-2009 school year

Parent/Community Involvement

- Increase attendance at Parent/Teacher Conferences
- Have P/T conferences on 2 nights in the Fall and one night in the Spring
- Have all P/T Conferences in the Gym or Cafetorium
- Continue to survey parents at P/T conferences and respond to suggestions and concerns
- Expand Community Service component for Seniors in 2007-2008 and expand to other grade levels in 2008-2009

- Evaluate effectiveness of Home Logic (Edlines replacement) and monitor teacher updates of Home Logic
- Explore developing an after school tutorial program that could be partially staffed with community members

Student Motivation

- Implement a requirement that Freshman who do not have a C average(2.0) will be eligible for Driver Education in the summer after their Sophomore year only
- Enhance incentive program for PSAE Testing
- Implement a program to reward grades and attendance for All students
- Implement a Principals Cabinet to have students involved in making suggestions for Testing and Curricular improvement

Math Improvement

- Continue to analyze PSAE, ACT, PLAN, EXPLORE, and PSAT data
- Increase PSAE students meeting or exceeding standards in Math by 7%
- Teachers work with Department Head to develop strategies to improve Math Test scores
- Continue to track and use data to identify deficiencies and curricular gaps and institute a plan of remediation
- Teachers will monitor weekly student progress of mastery of Illinois Learning Standards
- Math teachers will attend Test Data Analysis Conference and PSAE improvement workshops for Math

Reading and Writing

- Improve student's reading scores on Work Keys by at least 5%
- Continue to evaluate effectiveness of English and Reading 9 and 10 classes and explore expanding to grade 11 for the 2008-2009 school year
- Develop a proposal for a Writing class for the 2008-2009 school year
- Increase number of writing assignments in each class by 10%
- Explore a computer writing program for Remedial writers for the 2008-2009 school year
- Have Curriculum director work with ALL teachers at the High School to improve Reading instruction across the all areas of curriculum

Technology

- In service parents on the use of Home Logic
- Require weekly updates of Home Logic by teachers
- Have a Computer Lab in the HS Library
- Continue to implement the District Tech Plan
